

# USE YOUR WORDS

© 2012 Rachel See Smith

Use your words, sha la la la la (x2)

When you need something more  
If you've fallen on the floor  
Use your words

Use your words, sha la la la la (x2)

When you have something to ask  
When you need help with a task  
Use your words

Use your words, sha la la la la (x2)

When you're sharing with a friend  
When the song's about to end

USE YOUR WORDS: THE END!!!
